Department of Earth and Planetary Sciences

EPS and EES Major Capstone Proposal Form

All students completing the Earth and Planetary Sciences or Environmental Earth Sciences majors are required to complete a Capstone experience during their Junior or Senior year. The capstone should provide an opportunity to synthesize knowledge obtained during earlier coursework in Earth and Planetary Sciences.

Name: __________________________
Year: __________________________
Date: __________________________

Which of the following will be used in fulfillment of the Capstone requirement?

_________ Field Camp (University or host: ________________ )

_________ Internship (Employer: ________________ )

_________ Research Experience (Supervisor: ________________ )

_________ EPSc Writing Intensive (Class: ________________ )

_________ EPS Field Experience

_________ Interdisciplinary Course (Class: ________________ )

When will you complete this capstone? ________________________________

Please attach a printout of the course description (field camp only) or a brief 1-2 paragraph description of the research project or internship.

Approval

______________________________________________________________

Advisor: (name) _______________ (signature) _______________ (date) _____________

Please complete this form and turn it in to Professor Phil Skemer (EPS majors) or Professor David Fike (EES majors).
