

Department of Earth and Planetary Sciences

Capstone Proposal Form

All students completing a major in the Department of Earth and Planetary Sciences are required to complete a Capstone experience during their Junior or Senior year. The capstone should provide an opportunity to synthesize knowledge obtained during earlier coursework in Earth and Planetary Sciences.

Name: _____

Year: _____

Date: _____

Which of the following will be used in fulfillment of the Capstone requirement?

_____ Field Camp (University or host: _____)

_____ Internship (Employer: _____)

_____ Research Experience (Supervisor: _____)

_____ EPSc / EnSt Writing Intensive (Class: _____)

_____ EPS Field Experience

_____ Interdisciplinary Course (EES only) (Class: _____)

When will you complete this capstone? _____

Please attach a printout of the course description (field camp only) or a brief 1-2 paragraph description of the research project or internship.

Approval

Advisor: (name) _____ (signature) _____ (date) _____

Please complete this form and have your advisor put it in your advising dossier.
